## DEDICATION 1970

The 1970 Ossipee Town Report is dedicated to Judge Preston Smart, a lifelong resident of the Town.

Born in Parsonsfield, Maine, Judge Smart came to Ossipee as a child and was a graduate of Brewster Academy and later Dartmouth College in Hanover. Upon completing his education at Dartmouth, Judge Smart chose to dedicate his life to the legal profession and graduated from Columbia Law School with the class of 1928.

Among his many accomplishments, Judge Smart served as Carroll County Attorney from 1928 to 1953. In 1942 he received an appointment as Judge of Probate, a lifetime position. He also served as Justice of the Ossipee Municipal Court from 1941 to 1943.

Active in several fraternal organizations, Judge Smart was a past master of Ossipee Valley Lodge F and AM, and was a member of the Ossipee Rotary Club, serving as treasurer for many years.

To Ossipee residents, perhaps, Judge Smart is best remembered as "Pret," a gentleman with a keen mind, ready sense of humor and a man ready and willing to lend a helping hand to all, many times extending advice as a public service.

It was not unusual to find many a lawyer from various parts of the state seeking out Judge Smart to receive the benefits of his wisdom.

Perhaps the supreme compliment paid Judge Smart was his election by fellow-lawyers as President of the N. H. Bar Association, a position coveted by all men of the legal field.

It is with the greatest respect this dedication is made.

**Judge Preston B. Smart**

## PLANNING BOARD REPORT 1970

During 1970 the Planning Board and the consultant completed Phase 1 of the comprehensive plan, which consisted of the following studies: Existing Land Use, Population, Economic Base, Housing, Building & Environmental Conditions, Existing Streets & Highways, the results of the survey and subdivision regulations. Phase 1 cost the Town of Ossipee \$2,547, the federal share was \$9,800. for a total expenditure of \$12,347. An interim report of Phase 1 will be available to the public at the Planning Board office in the Town Hall. In order to implement a subdivision regulations it will be necessary for the town meeting to vote an article in the warrant to authorize the Planning Board to approve new subdivisions. This article will be discussed at the town meeting.

Also at this time there is an article in the warrant to give the Planning Board the authorization to join with the Lakes Region Planning Commission which will give the Town of Ossipee a vote and voice in the overall planning for the entire Lakes Region area. As the economic base study has shown we are basically tied to the Lakes Region.

Phase II has been approved and is underway at this time, the cost to the Town of Ossipee is \$1,250, the federal share is \$3,797. for a total of \$5,047. It will include an analysis of soils, topography and the preparation of a complete comprehensive plan, a suggested zoning ordinance, and public meetings.

There were no public meetings in 1970 as promised in the 1969 report due to the lack of federal funds. The slowness of the government agencies involved to approve our completion of phase I held us back as to the results and reports of the studies made. Without the completion of the studies we had no points to discuss and no common ground for decisions. However we now hope that this is behind us and the 1971 will be a year of great progress.

## **REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF**

During this past year, the public has shown a great deal of cooperation in the prevention of fires. We wish to express our thanks for a job well done.

Your forest fire warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires, a synopsis of these laws follow.

### **FIRE PERMITS**

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning (SUCH BURNING IS RESTRICTED BY REGULATION TO BE PRIOR TO 9:00 A. M. and AFTER 5:00 P. M.).

An Air Pollution regulation forbids the burning of household waste in towns where such rubbish is collected by the town.

### **EXCEPTIONS**

Commercial or industrial burning is allowed under normal conditions with permission of the District Fire Chief and a permit from the Fire Warden.
